

# The Tutor Hub Aftercare

At The Tutor Hub we offer an aftercare programme that focuses on quality homework & study support. We understand the importance of doing homework correctly and working one-on-one with learners who need the extra support.

We have trained professionals that will create a warm and comfortable learning space for learners after school. Our aftercare learners will also have ample opportunity to play once the learning is done! Daily snacks will be included in our fees.

Fees are always payable by the 1st of each month or the starting date of a new term. Unpaid fees will result in a student losing their spot. There is a once-off registration fee of R450 for new aftercare students.

<p>WCED SCHOOL TERM 1 - 4 Aftercare fees</p> <p>Once off registration fee of R450 for new students</p>	<p>R1900 per month for 12 months excluding school holidays.</p>	<p>Includes homework support, daily snacks and extra working material</p>
